INSURANCE COMPANY
PERSONAL. FLEXIBLE. TRUSTED.

Every life has a story.

You have a picture of the way you want your life to go.

Now imagine if something happens that not only changes your picture, it changes your life story.

That's when Trustmark Accident insurance can help. It can help you live your story, your way – even when unexpected accidents get in the way.

Think About It
About 42.2 million visits to hospital emergency rooms in the United States were injury related.¹

¹National Center for Health Statistics, February 2011

Sometimes life can take a tumble.

You do everything you can to keep your family safe, but accidents do happen. When they do, it's good to know you have help to manage the unexpected bills that come with them.

Trustmark Accident insurance is designed to cover unexpected expenses that result from all kinds of accidents, even sports-related and household ones.² It provides cash benefits to cover things your health insurance doesn't, such as:

- Deductibles
- Co-payments
- Transportation and lodging costs
- Everyday bills and more

What's more, your benefits come directly to you without any restrictions on how you can use them. You can't predict when unexpected accidents will happen, but you can help protect your family from the expenses accidents bring with them.

Trustmark Accident insurance provides a financial cushion to help you take care of bills, so you can take care of each other. It's that simple.

²Please consult your policy/group certificate for exclusions, limitations and policy details.

Why do you need it?

Take a moment, now, to think about life as you know it. Then ask yourself this: If you were suddenly injured in an accident, how would you manage the expenses of life during your recovery?

- How often are children injured in accidents?
- How much would a trip to the emergency room cost you?
- Would you want to ensure you and your family get the best care available?
