ADVOCATE FOR YOUR NURSING PRACTICE?**

**NOVEMBER 8<sup>TH</sup> 4PM – 6PM**

**NOVEMBER 23<sup>RD</sup> 11AM – 1PM**

Location: Riverside Medical Center – South Lobby

### WHAT IS SHARED GOVERNANCE?

Shared governance is a critical component of shared decision making between bedside nurses and nurse leaders, and includes involvement in the development of resources, nursing research/evidence-based practice projects, evaluating new equipment purchases, and opportunity to guide staffing decisions.

Shared governance allows for active engagement throughout the healthcare team and promotes positive patient outcomes, creates an inclusive and positive work environment, improving job satisfaction. Shared governance is a pillar of the ANCC Magnet culture.
